

Primary Care Opportunity- Family Medicine or Internal Medicine –1091 Main Street, Buffalo New York,

General Physician, P.C. is seeking a Family Medicine or Internal Medicine physician to join an established and growing practice in Buffalo New York located at 1091 Main Street. Buffalo is located just 75 miles west of Rochester, and located just over one hour from Toronto, Canada.

At GPPC we offer our providers the following

- **Unparalleled support for our providers-** At General Physician, P.C. We have an entire team ready to support you. We offer a Practice Operations Team of professionals to assist you with all of your electronic health record needs, technology set up, staff recruitment, training and human resources support. This allows you to do what you do best-care for your patients.
- Our providers being supported, heard and having the resources they need to provide top quality care is our mission at General Physician, P. C.
- **Quality/Clinical support-** Our Quality Management team is comprised of expert nurses and pharmacists who are working behind the scenes to ensure the care and tests you order for your patients are completed and meet HEDIS and PCMH requirements.
- **Onsite Clinical Pharmacy, Behavioral Health and Nutrition Services** embedded in this practice.

We offer a highly competitive salary and benefits package that includes:

- Competitive salary and comprehensive benefit package
- CME allowance and paid days off
- Productivity and quality incentive and much more
- Employer paid occurrence-based malpractice insurance
