

FULL-TIME PRIMARY CARE PHYSICIAN OPENING
FAMILY MEDICINE OR INTERNAL MEDICINE
SALARY: NEGOTIABLE

The Seneca Nation Health System, located in Western New York State (WNY), is looking for a primary care physician. With a proud and rich history, the Seneca are the largest of the six Nations which comprise the Iroquois Confederacy. The Seneca Nation currently has a total enrolled population of nearly 8,500 members.

The Seneca Nation is proud to have two Health Centers which enhance the health and wellness of the WNY Native American Community and the Seneca Nation. Each health center offers medical, dental, optical, laboratory, pharmacy and behavioral health services.

This opportunity offers an excellent quality of life to a qualified physician. You can expect a very collegial, experienced and stable staff. You will see an average of 14-16 patients a day with a focus on managing a panel of patients with your care team and deliver on-call service to patients via phone call only.
