

Radiology Practitioner Assistant / Registered Radiologist Assistant

Position Summary:

Acts as an extension of the radiologist. Performs general Fluoroscopy procedures under the direction of a radiologist. Assists the radiologist by performing preliminary film/image review and dictation of procedures in x-rays and ultrasound while coordinating workflow. Communicates with referring physician offices, and performs minor invasive procedures.

Some Essential Functions:

- Performs fluoroscopy studies and other procedures under the direct supervision of the radiologist.
- Prepares radiographs/images for interpretation. After review by radiologist, dictates the reports under direct supervision of the radiologist.
- Responsible for accurately observing findings on radiographs/images.
- Responsible for correlating previous examinations pertinent to the current examination.
- Prepares patient for invasive procedures for the radiologist to perform the procedure.
- Records patient histories and other related patient information. Responsible for correlating patient's signs and symptoms with current study.
- Gives pertinent detailed information to the radiologist performing the interpretation.
- Responsible for productivity evaluation record keeping and ongoing quality control of procedures performed, including case review records.
- Performs all procedures using correct techniques and positions as approved by the radiologist.
- Maintains values congruent with the Code of Ethics, as well as adhering to national, institutional and /or departmental standards, policies, and procedures regarding the standards of care for patients.

Qualifications:

- RPA and/or RRA must hold a registered specialist license in New York State.
- Excellent technical skills.
- Skilled knowledge to produce high quality reports for the radiologist.
- Maintain current levels of education in emerging techniques, procedures and therapies.
- RRAs must satisfy the education requirements for the RRA (ARRT) requirements.
- RPAs must satisfy the education requirements of the CBRPA.

Excellent benefits-medical/dental/vision/401k/profit sharing/annual bonus/work life balance and competitive pay!
