

## **RADIOLOGIST**

Southtowns Radiology, recently named as a finalist to Western New York's best places to work list, is seeking a highly skilled Radiologist to join our team! As the largest physician-owned practice in the Buffalo area, we have 2 outpatient imaging centers conveniently located in the southern suburbs of Western New York. We also support Catholic Health System with screening, diagnostic and interventional radiology, covering imaging services for four hospitals and three diagnostic facilities in Erie County, New York.
